

NOTICE TO ALL VISITORS

We are improving your visiting area!

**Coalinga State Hospital will be closing the visiting room
for carpet installation on October 22, 2008**

New carpeting will be installed on October 22, 2008. This addition will make your visiting area more pleasant and will help reduce the noise levels making your visit more comfortable.

To timely achieve this modification we will only need to close the visiting room for one day. We appreciate your cooperation during the renovation.

There will be **no visiting** on October 22, 2008.

Visiting will **resume** on October 23, 2008
